January, 2016

## President's Message

Susan Held

### Welcome to Soroptimist International of Bellflower

January! It's hard to believe that we are into a new year. For the club we still have ½ of our club year left, not a full year, as club runs from July 1 – June 30. So this means that we have ½ year left to accomplish our goals.

What were our goals for the year?

- ❖ Plan some new fun, fund raisers
- ❖ Have more social events
- ❖ Increase the amount of money we give away
- ❖ Share our message of who we are and what we do
- ❖ Invite women to join and make a difference

We are right on track with all our goals. We have had some fund raisers so far this club year. Painting With a Twist; Shopping at a small boutique in Whittier that donated portions of the sale back to the club and next month we have Quartermania! We have had some fun dinners and gatherings and we have new member joining us!

*New members joined at our Club Christmas party.*

*Soroptimist is a global women's organization whose members volunteer to improve the lives of women and girls through programs leading to social and economic empowerment.*
