Soroptimist International of Bellflower

March, 2016

President's Message

Susan Held

Welcome to Soroptimist International of Bellflower

Happy March. March is a fun month for Bellflower Soroptimists as we work towards and then have our 2nd largest fund raiser – Las Vegas Nite. We work with the Bellflower Noon Lions to put this event on. We bring in a casino gaming company who provides black jack; crap and roulette tables. Plus we have a Bingo room and great prizes for all those winners. Cost of admittance includes a wonderful dinner and dessert.

In addition to Las Vegas Nite we had a fun little fund raiser – shopping at a little boutique in downtown Whittier. The store owner donates a % of the sales back to the club. See – it does pay to shop! Members Deana & Kathy found this little store and got to talking with the owner. The next thing, we have a fund raiser set up. Members, if you know of any other thing like this, be sure and let the President know so that we can arrange more “fun” fund raisers!

LAS VEGAS NITE FUN!
