Soroptimist International of Bellflower

May, 2016

## President's Message

Susan Held

## Welcome to Soroptimist International of Bellflower

May is one of our most rewarding months of the club year because we get to give away money to those people and organizations that need a helping hand. What makes this even better is that we invite the awardees and the representatives from the organizations to join us for our tea. The tea is catered by Bellflower Unified School District. City and State officials are present as is Erin Stiebal, who is Supervisor Don Knabe's Field Representative.

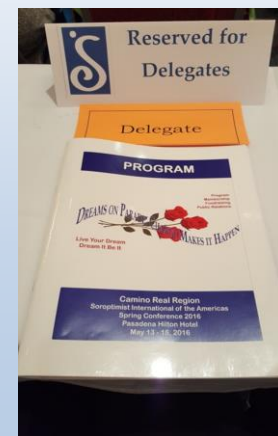

This year we were inspired to hear from previous awardees about how their lives had changed as a result of our donations.

*Soroptimist is a global women's organization whose members volunteer to improve the lives of women and girls through programs leading to social and economic empowerment.*
